## Certificate of Compliance

Confoil Pty Ltd manufactures food packaging for **Bunzl**. Confoil Pty Ltd guarantees that products delivered meet the following ISO, FDA and EU compliance:

**COMPLIANCE:** Confoil Pty Ltd to the best of our knowledge all products will be suitable for the packaging of food types as defined in FDA 21 CFR 177.1630, 175.105, 178.3297 and EC No 1935/2004 respectively. All raw materials used in the manufacture of containers shall be in full compliance with

- Federal Food, Drug Act
- FSSC 22000 Certification scheme of food safety systems including ISO 22000:2018 ISO TS 22002-42013 and additional requirements
- AS/NZS ISO 22000:2018 incorporating the Principles of HACCP developed by the Codex Alimentarius Commission (Rev 4-2003)
- GMP and all applicable Food Regulations.

Confoil Pty Ltd guarantees that each shipment or delivery of product is in full compliance with FSSC 22000 Certification scheme of food safety systems including ISO 22000:2018 ISO TS 22002-42013 and additional requirements and manufactured under appropriate GMP's as to prevent the packaged food from becoming contaminated with a biological, chemical or physical agent that could cause injury or illness.

Confoil Pty Ltd guarantees that the products supplied to customers are not manufactured with raw materials known to have allergens listed by Food Standards Australia New Zealand (Dated July 2022)

It is the customer's responsibility to ensure the suitability of the packaging medium chosen for the type of food being packed therein through their own programme of shelf and/or other testing procedures.

Confoil Pty Ltd guarantees the packaging materials continuing compliance, with respect to all future shipments / deliveries with applicable provisions of Food Safety regulations.
