Made from Renewable Sources

Bunzl's Sustain Wooden Cutlery and Stirrers displayed are Forest Stewardship Council® (FSC®-C117930) certified. FSC® is a global, not-for-profit organisation dedicated to the promotion of responsible forest management. FSC® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

The cutlery also has a light beeswax coating for an improved dining experience.

Compostable

Compostable products breakdown into nutrient-rich organic matter, which can be used as a fertiliser for plants. Sustain Wooden Cutlery is compostable in industrial facilities under specific conditions.
