Tork®® Centrefeed dispenser in Elevation Design is a high capacity versatile solution for professional environments where both hand and surface wiping is required. Wipe surfaces quickly, due to the unrestricted flow feature that allows users to take as much as their tasks needs. Elevation dispensers have a functional and modern design.

www.tork.com.au

Improve hygiene: Touch free system reduces risk of cross contamination, you only touch the towel you use

Easy to use: Easy one hand operation enables users to take as much as they like

Control misuse: versatile lock mechanism prevents overuse and pilferage
