

Posture-Temp[®] Pressure Relieving Cushion

Code(s): CBR993, CBR995

The Posture-Temp pressure-relieving cushion offers comfort, support, and medium pressure relief. The temperature-sensitive memory foam with ultra-soft, open-cell layers, warms and conforms to your shape. Unlike natural fibres, it doesn't promote dust mite growth.

Included as standard is a bi-elastic, two-way stretch, breathable cushion cover that reduces shear and friction forces. It is waterproof, stain-resistant, fire-resistant, anti-allergenic, antimicrobial, and hygienically clean.

FEATURES

- Hypo-allergenic
- Dust-mite resistant
- Two-way stretch, waterproof, breathable cover
- Care instructions: Use cleaners with PH value of 7. 70% Isopropyl alcohol wipes are also suitable. Wipe with a wet cloth afterwards
