

Product Specification

Product Name:	Bunzl - 35ml Black Pad –FERGZ3582
---------------	-----------------------------------

Dimensions:	67mm x 135mm (un-hydrated perimeter) comprising of 1 cells (1 x 1)
-------------	--

Main Uses for Product

As an absorbent soaker pad to retain poultry, red meat and fish excaudate in EPS and plastic overwrap trays for the purpose of:

- Better presentation of product.
- Localising excaudate to minimise mess when opening and for easy disposal.
- Improving the aesthetic nature of viewing blood.
- Reducing the number of rewraps due to migration of exudates.
- Inhibiting bacterial activity.
