

# Soft Care® Des E

## Hand sanitising alcohol rub

---

**Soft Care Des E is an alcohol rub for waterless skin disinfection.**

### **Features:**

Soft Care Des E is a hand sanitising alcohol rub based on ethanol. Ethanol is a very efficient sanitising agent and consequently highly effective against resident and transient skin microorganisms. This product has also been formulated with humectants, excellent skin care ingredients. Therefore it can be applied in areas where frequent use of hand sanitising products is required, such as hospitals and in those areas where there is no water available.

Soft Care Des E is perfume-free, thus eliminating the risk of tainting foods and making it suitable for application in the food processing area.

### **Benefits:**

- ▶ Contains ethanol which is a very effective sanitiser
- ▶ Perfume free (suitable for use in food processing area)
- ▶ Contains humectants -prevents skin irritation

---

### **Designed For**

- ▶ Food Service
  - ▶ Hospitality
  - ▶ Lodging
  - ▶ Education
  - ▶ Food Processing
-
