PRODUCT DESCRIPTION

WYPALL* L10-L20 Centrefeed Wipers are a low-cost personal wiping alternative. Designed as an effective, single-use wiper which helps to prevent cross-contamination. The lockable dispenser is available, helping to discourage pilferage and waste.

TECHNICAL FEATURES

Roll Control Wipers

- A technically advanced centrefeed wiping system that dramatically cuts wiping consumption by up to 30% versus traditional centrefeed
- Single sheet dispensing controls use

Centrefeed Wipers

- Low cost hygienic hand drying alternative
- Available in standard or heavy duty grades
- Single use wipe ensures no cross-contamination
- Lockable plastic dispenser discourages pilferage and waste
