

K5 OVEN & GRILL CLEANER H/D

DESCRIPTION

K5 OVEN & GRILL CLEANER H/D is a highly alkaline liquid designed for rapid removal of grease and fat from ovens, hot plates, steak platters, hoods and deep fryers. Ideal for use on enamel, iron, stainless steel, porcelain and glass surfaces.

DIRECTIONS FOR USE

Do NOT use on painted aluminium, brass or galvanised surfaces. Do NOT spray or atomise the product. Warm the oven to 20-30°C. Turn the oven off and pour product neat or to strength required depending on application. Leave to act for at least 5 minutes depending on the soiling degree. Rinse off thoroughly with water. Heat the oven or hot plate for a few minutes after rinsing to facilitate rapid drying.

SAFETY INFORMATION

K5 OVEN & GRILL CLEANER H/D is classified as Hazardous according to the GHS.

K5 OVEN & GRILL CLEANER H/D is classified as Dangerous Goods according to ADG Code (7th Ed).

K5 OVEN & GRILL CLEANER H/D is a Scheduled Poison according to SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26 or New Zealand 0800 764 766)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
