

LAUNDRY POWDER

DESCRIPTION

LAUNDRY POWDER is a powdered blend of mild alkalis, soil suspension agents, water softeners and optical brighteners that make up a product suitable for multi-purpose washing. Its unique formula allows for rapid soil penetration, suspension and easy rinsing, leaving clothes fresh and bright. It is suitable for use with all classifications of washing including polyester blends.

DIRECTIONS FOR USE

LAUNDRY POWDER may be used as a complete one shot laundry detergent or in conjunction with KWIKMASTER BLEACH. Use at a rate of 25-30g/kg of dry weight washing depending on the degree of soiling.

SAFETY INFORMATION

LAUNDRY POWDER is classified as Hazardous according to the GHS.

LAUNDRY POWDER is classified as Dangerous Goods according to the ADG Code (7th Ed).

LAUNDRY POWDER is a Scheduled Poison according to the SUSMP.

Avoid contact with eyes. Refer to SDS for further information regarding product safety and handling.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26) or a doctor at once**. If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and flush skin with running water for 15 minutes. Seek medical attention if irritation persists.
