Product Description

ABENA Fix Net are unisex thin mesh fixation pants for multiple use. Mesh knit technology is based on warp knitting, a method where the yarn is knitted in zig-zag stiches through the length of the fabric. ABENA Fix Net feature horizontal stabilising zones, ideal for keeping larger pads securely in place. Despite of the light construction, the mesh products are durable. ABENA Fix Net offer easy product recognition thanks to the color code on the packaging and on the inside of the waistband. And the packaging also contain information about product name, size, washing instructions, and material composition. Made of 87% polyester and 13% elastane.
