Product Description

ABENA Fix Net One is a unisex, one-size mesh fixation pant for institutional application. This is a good and cost-effective model for multiple use. Mesh knit technology is based on warp knitting, a method where the yarn is knitted in zig-zag stitches through the length of the fabric. ABENA Fix Net One feature horizontal stabilizing zones, ideal for keeping smaller pads securely in place. The product offers easy product recognition thanks to the color code on the packaging. You can also find information about product name, size, washing instructions, and material composition on the packaging. Made of 88% polyester and 12% elastane.
