

**Trafalgar Code:** 101560      **Y Number:** Y2501344

**Product Description:** National Workplace First Aid Kit - Wall Mount (Metal)

**Dimensions:** H385mm x W240mm x D115mm

- Designed to assist with a self-assessed workplace rating of high risk.
- Contains a range of comprehensive contents suitable for cuts, burns, bruising, strains, sprains and minor wound care.
- Content is colour coded, which allows users to easily identify products to use in an emergency.
- Wall mountable or portable sturdy metal case first aid kit ideal for high dust and heat areas that requires maximum durability.

This Trafalgar Workplace Kit features industrial quality products that are colour coded so they can be easily identified in an emergency. The strong robust metal cabinet can be wall mounted or portable with an easy-to-carry handle and is recommended for high dust and heat areas that require maximum durability.

Suitable for a variety of industries such as building and construction sites, mines, warehouses, commercial kitchens, defence force etc. There are a number of factors that need to be taken into account when choosing what first aid should be provided for a workplace. Requirements will vary for all workplaces and will depend on factors such as the workplace size and location, nature of work and the number of people onsite. The Trafalgar national first aid kit is designed to assist with a self-assessed workplace rating of "High Risk" under the Safe Work Australia First Aid Code Of Practice.
