# Tork Constant Air Freshener Dispenser

Tork Constant Air Freshener Dispenser in Elevation Design uses a unique, high-tech distribution technology to disperse scent continuously and evenly. Certified "Easy to use" for effortless refilling. Available with three carefully selected scents — Breeze, Blossom and Odor Neutralizer for long-lasting, continuous freshness in any restroom.

- Designed to deliver a constant, pleasant experience in the restrooms, which helps to avoid restroom complaints.
- No spray and fade effect, due to unique distribution technology\*
- A certified "Easy to use" system\*\* for effortless refilling thanks to a lower placement position versus traditional aerosol systems that often need to be placed high to be effective.
- Flexible placement at reachable height for cleaning staff means no special equipment or additional service costs
