

## Product spec sheet

Product Name: Magic Seal Bag

Product Code: PS210050

Product Size: 150mm x 230mm x 50um (L x W x Th)

<b>Product Description</b>	Press-seal, low density polyethylene (LDPE) bags. A special quality LDPE is used to provide sufficient hardness around the resealable seal to ensure the bags stay closed. Reusable, resealable and sturdy to store items without breaking or ripping.
