SPECIFICATION SHEET

Code:	DON13034
Description:	TWINE POLYESTER 2475TEX 355MTR WHITE
Tensile:	126KG
Roll weight:	825grams
Benefits:	Officially approved for use in export grade meat products. Meets US FDA food regulations. Lightweight, knots well. High melting point. High breaking load.

Polyester butchers twine was designed for use by butchers. White in colour, it has been officially approved by MAF for use with meat, fish, game and poultry.

The twine is coated with bindacoat to smooth fibres and resists fraying when cut. Also available in finer thickness with distinctive Red/White & Blue/White colouring specifically designed for identification and smallgoods hanging twine.
