

**Soft Care® M**

## Alcohol based hand sanitiser

Soft Care M alcohol based hand sanitiser is a blend of n-propanol and isopropanol (about 78% v/v alcohol) which works synergistically to give maximum effectiveness.

Soft Care M is designed for sanitising hands without the use of water.

### Features

- Contains a blend of propyl alcohol and isopropyl alcohol to sanitise hands and skin
- Contains emollients and thickener to prevent skin dryness
- Leaves no harmful residue: no need to rinse or dry hands
- Product thickness provides a longer contact time with the skin to give better performance
- Perfume free, thus eliminating risk of tainting food
- Skin compatibility dermatologically tested\*

### Benefits

- Kills 99.999% of Germs\*\*
- Gentle to the skin
- Rinse free
- Longer contact time
- Perfume free
- Biodegradable and ethically sourced

### Designed for

- Food Service
- Retail
- Education
- Government
