

PRODUCT TECHNICAL BULLETIN

Product Name: WypAll™ Alcohol Surface Disinfecting Wipes

Product Code: 4101

Description: WypAll™ Alcohol Surface Disinfecting Wipes are a Commercial Grade Disinfectant Wipe, suitable for effectively disinfecting working surfaces, equipment and surfaces.

- Each canister of WypAll™ Alcohol Surface Disinfecting Wipes contains 65 pre-saturated (wet), 70% Isopropyl alcohol-soaked wipes designed for general-purpose disinfecting of surfaces in a range of environments including offices, retail, education, and high-traffic areas, to help reduce the risk of germs spreading and promote a healthy and hygienic workplace.
- These disinfecting Wipes kill 99.9% of bacteria, don't leave any solvent residue on surfaces and are certified by HACCP international as suitable for wiping food preparation surfaces.
- The wipes' meltblown base sheet delivers efficient disinfectant release as most of the solution is transferred onto the surface rather than trapped within the wipes' fibres.
- The canister is specially designed for easy opening and loading the wipes and help minimize drying-out and potential contamination of unused wipes.
- Each wipe dispenses as a clean, fresh and wet hand-sized, disposable sheet to reduce the risk of cross-contamination*.

**Compared to reusable wipes*

These wipes are suitable for environments where sanitization, disinfection & hygiene standards are required.

Sustainability:

- After use, the WypAll™ Alcohol Surface Disinfecting Wipes canister and lid* can be recycled in commercial recycling facilities and hence diverted from landfill, supporting your circularity goals
- The WypAll™ Alcohol Surface Disinfecting Wipes shipper cartons include almost 90% Recycled Fiber and can be recycled in commercial recycling facilities

** Excluding sealing foil*

Product Information:

Product Code	Product Description	Color	Sheet Size	Sheet count	Pack
4101	WypAll™ Alcohol Surface Disinfecting Wipes	White	205mm x 135mm	65 sheets /Canister	12 canisters /Case

Ingredients:

- Substrate: Meltblown, 100% Polypropylene Basesheet
- Solution: Isopropyl Alcohol----- 70% v/v
Deionized Water ----- 30% v/v

Carton Specifications:

Carton Size: 350mm(L) x 263mm(W) x 202mm

Gross Weight: 5.130kg

Net Weight: 3.059Kg

Shelf life: WypAll™ Alcohol Surface Disinfecting Wipes have a shelf life of two years
