BAMBO®  
Nature

## Bambo Nature, ECO diaper, 0, 1-3 kg

- ✓ Incredibly SOFT on new baby's skin
- ✓ Convenient wetness indicator makes it easy to see when a change is needed
- ✓ Designed to protect the umbilical cord area
- ✓ Dermatologically tested to protect your child's delicate skin

### Product Description

Give your newborn a happy and comfortable start in life by keeping their skin healthy and protected. Bambo Nature size 0 diapers are incredibly soft and are designed to keep your baby's sensitive skin dry. The diaper offers extra protection around the umbilical cord area and a convenient wetness indicator, that changes color and makes it easy to see when a change is needed. Our Bambo Nature size 0 diapers are dermatologically tested and certified according to the Nordic Swan Ecolabel, EU Ecolabel, FSC™ (Forest Stewardship Council), and STANDARD 100 by OEKO-TEX. Bambo Nature – Because you care.

OEKO-TEX, also known as "Confidence in Textiles", is a health and environmental label used worldwide. The certificate ensures that textiles do not contain substances that are harmful to health or the environment.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to [www.fsc.org](http://www.fsc.org).

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

The Dermatologically Tested symbol guarantees that products have been tested for potential skin irritations by an independent third-party laboratory.

Wetness indicator is a liquid-sensitive strip that changes color or fades out indicating when it is time to change the product.

The product is thin and has a perfect fit.

The product has a very soft surface for a more comfortable fit.

The product is equipped with flexible tape for comfort and leakage security.

The product is fully breathable making it more comfortable for a longer period of time, maintaining skin integrity.
