

Item number 70152

ABENA Let, Super Airlaid, with SAP

- ✓ Non-woven backsheet foil to be used as a booster
- ✓ 100 % breathability supporting healthy skin
- ✓ Different sizes and absorption levels

Product Description

The ABENA Let product range is a rectangular pad solution for broad applications. Both ABENA Let Airlaid Super, Normal, and Maxi are used mainly as a booster pad to provide extra absorption, but can also be used as a maternity pad or absorbing pad for wound care. The fully breathable pads with non-woven backsheet ensure healthy skin and optimum comfort for the user. They are available in different sizes and absorption levels. ABENA Let Normal and Airlaid both contain superabsorbent polymer (SAP) for odour control.

Instructions for use/application

Rectangular pad for multipurpose use. Mainly used as a booster together with another incontinence product to increase total absorption capacity. If not used as a booster, it is suggested to be used with special fixation underwear, like our ABENA Fix products. The fixation pants ensure a close fit

and reduce the risk of leakages. Product size recognition using color codes and names.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products, and medical devices.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Odor control is a critical factor in ensuring discreteness for the user. ABENA's incontinence products are designed and engineered to ensure that minimal Odor arises from the product.

The product does not contain latex.
