

CELLSTAR® Cell Culture Multiwell Plates

6, 12, 24, 48 well

For both adherent and suspension cell culture, choose Greiner Bio-One's multiwell plates in either 6, 12, 24 or 48 well format. The special chimney wells in conjunction with low evaporation lids significantly reduce the risk of cross-contamination between the wells. The plates are easily stacked, both with and without lids. Due to their advanced design, the plates still exhibit important features like constant heat and gas exchange even when stacked. Uniform plate dimensions (well depth, diameter and distance between the wells) comply with ANSI standards, enabling easy manual and automated handling. Each plate is sterile, free of detectable DNase, RNase, human DNA, is non-pyrogenic and has a printed lot number for traceability.

Plate format	6 well	12 well	24 well	48 well
Growth area [cm ²]	9.6 per well	3.9 per well	1.9 per well	1.0 per well
Working vol. [ml]	2 - 5 per well	2 - 4 per well	0.5 - 1.5 per well	0.5 - 1 per well

Key Facts

- Cell-culture treated, sterile
- Low evaporation lid
- Chimney well design
- Alphanumeric well coding
- Writing area and lot no. on each plate
- Easily stackable
- Length x Width:
127.76 x 85.48 mm

Ordering Information

Cat. No.	Product Description	Quantity per Bag	Quantity per Case
657 160	6 well plate, cell culture treated, with lid, lid with condensation ring, sterile	1	100
665 180	12 well plate, cell culture treated, with lid, lid with condensation ring, sterile	1	100
662 160	24 well plate, cell culture treated, with lid, lid with condensation ring, sterile	1	100
677 180	48 well plate, cell culture treated, with lid, lid with condensation ring, sterile	1	100
657 185	6 well plate, suspension culture quality, with lid, lid with condensation ring, sterile	1	100
665 102	12 well plate, suspension culture quality, with lid, lid with condensation ring, sterile	1	100
662 102	24 well plate, suspension culture quality, with lid, lid with condensation ring, sterile	1	100
677 102	48 well plate, suspension culture quality, with lid, lid with condensation ring, sterile	1	100
